

California Health in All Policies (HiAP) Task Force

Vision, Purpose, Strategies, and Inputs

Vision for California (what we want)

California government advances health, equity, and sustainability in all policies.

Purpose of the HiAP Task Force (what we do)

1. Promote a government culture that prioritizes the health and equity of all Californians across policy areas.
2. Infuse state agency and department practices with health and equity considerations.
3. Provide a forum for departments and agencies to identify shared goals and opportunities to enhance performance through collaboration.

Strategies of the HiAP Task Force (how we do it)

Convene and Facilitate Cross Sector Collaboration

- 22-Agency Task Force
- Multi-Agency Working Groups
- Other coordination as needed

Embed Health and Equity

into government programs and practices across agencies and departments

Engage Local & Community Stakeholders

in giving input on how the Task Force can best support their healthy community efforts locally

Ensure Accountability

through monitoring & reporting

Provide Consultation and Capacity Building

to agencies and departments on applying a health and equity lens

Disseminate the HiAP Approach

to local and state agencies and organizations

Human Resource Inputs to HiAP Task Force (key functions and who contributes their time)

Task Force members contribute staff time

Amount of resource:
Significant and increasing.

Task Force members can designate their own staff to support HiAP projects or integrate health into their own work.

Funded by each department.

CDPH provides subject matter expertise

Amount of resource:
Significant and increasing. Could be expanded through contracts or other agreements.

CDPH responds to requests from other departments for health/equity technical assistance and input. CDPH ad hoc and formal advisory groups give input on an as needed basis.

Funded by CDPH.

Strategic Growth Council provides accountability and oversight

Amount of resource: Varies.

Funded by SGC.

Local & Community Stakeholders provide input

Amount of resource: Varies.
Relies upon coordination by backbone facilitation team.

CDPH and PHI provide backbone facilitation team

Amount of resource:
Significant.

Requires ongoing funding/staffing with a strong degree of flexibility to respond to emerging opportunities and policy windows.

Funded by CDPH and external funders – The California Endowment, Kaiser Permanente Community Benefit, etc.
